**North Devon Link Road – NDLR – A361
(Portmore to Borners Bridge)
Traffic Bulletin 30.10.23**

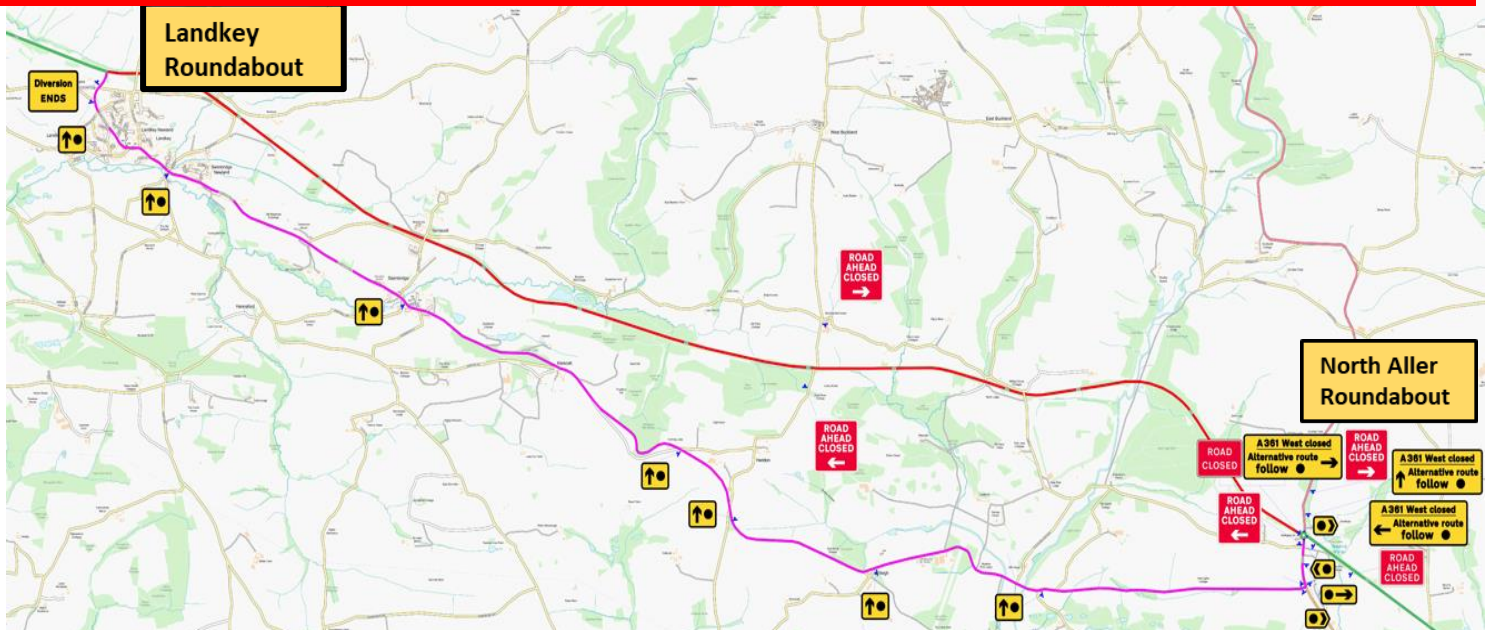

Section 1: Night Closures – Landkey to North Aller (as per previous Bulletin 25th Oct)

On 30th and 31st October and 3rd November works will be carried out on the A361 at night to facilitate realigning the route through the work area. During this period traffic in both directions will be diverted through Landkey, Swimbridge and Filleigh.

On 8th, 9th and 10th November works will be undertaken at night to remove the one-way system and reinstate traffic management to allow two-way traffic on the A361. On the morning of the 11th November the A361 road will re-open as two-way.

(Portmore to Borners Bridge)
Traffic Bulletin 30.10.23**

Section 2: Night Closures – Borners Bridge (South Molton)

During night time closures of this junction from 12th to 17th November the works will be required to implement the next phase of this junction and involve a number of activities including laying asphalt. A large amount of the new junction works will be achieved in this period contributing to the final junction layout. Please see the maps below and on the following page. Traffic lights will be in place on East St, South Molton during the closures. We apologise for any inconvenience

North Devon Link Road – NDLR – A361 (Portmore to Borners Bridge) Traffic Bulletin 30.10.23

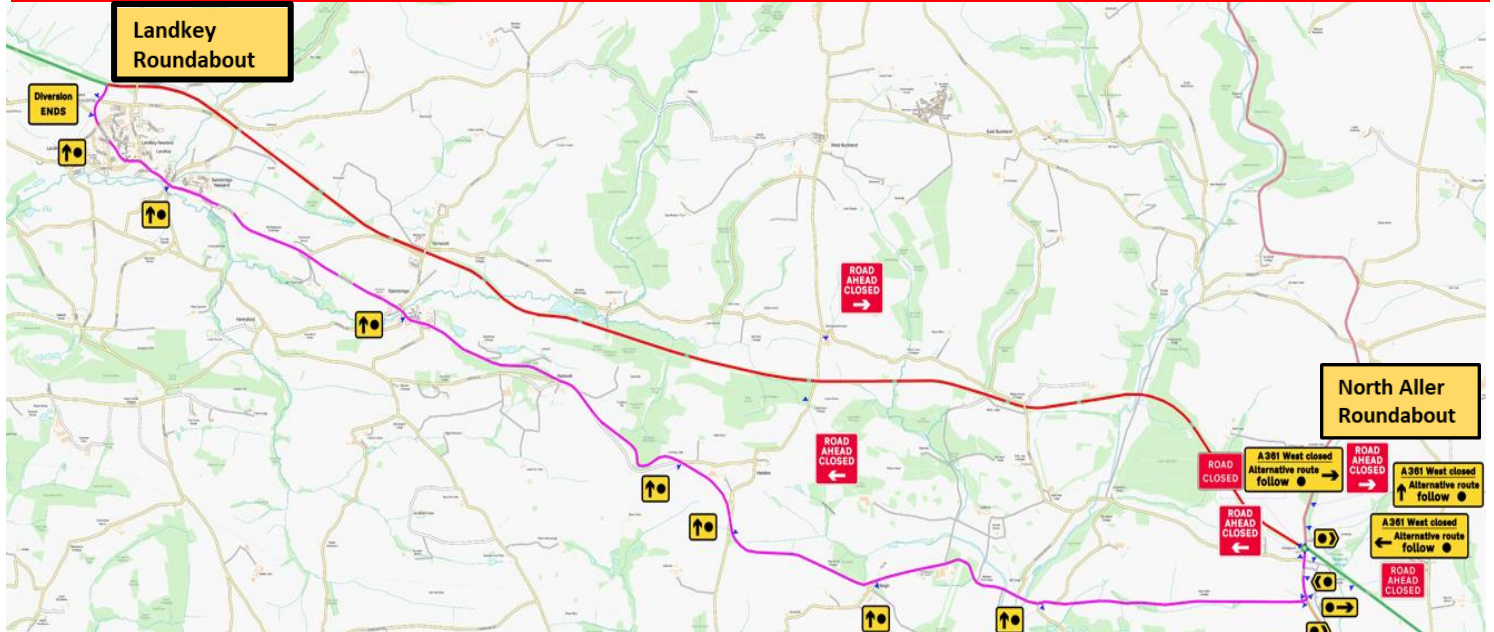

Section 3: Night Closures – Landkey Roundabout to North Aller Roundabout

The night time works on the following weeks through November and December will allow large areas of new asphalt to be laid and works to the new bridge at West Buckland. These closures will allow works to progress more quickly and safely.

Following the night time closures, works will continue at night under traffic signal control in more isolated areas along the route.
