Night Closures – Landkey to North Aller

From 20th November 2023 until 16th December 2023 works will be carried out on the A361 at night to facilitate large areas of new asphalt to be laid and works to the new bridge at West Buckland. These closures will allow works to progress more quickly and safely. Following the night time closures, works will continue at night until Christmas under traffic signal control in more isolated areas along the route.
