22nd March 2024

Information Update – A55 Junction 18 (Llandudno Junction)
Active Travel Scheme

Work will continue over this weekend 23rd/24th March and into next week up to the full embargo on work which begins on Thursday 28th March. The works are divided into 9 phases* with the majority of the construction works undertaken on the verge or footway, or with off peak daytime lane closures and manned traffic lights. Some phases may be undertaken at the same time.

Access to the Leisure Centre, Supermarket and Conwy Business Centre, and Leisure Park located off A546 Ffordd 6G, and RSPB Conwy Nature Reserve located off Junction 18 Llandudno Jct. will be maintained throughout the construction works.

Phases 1 - 6 have been completed, Phases 7, 8 & 9 – 23rd March 2024 to 28th March 2024
Construction work on Phases 7, 8 & 9 of the active travel project will continue on the above dates with localised lane closure traffic management implemented on the A546 Ffordd 6G around the Leisure Park roundabout. Traffic management will be implemented 24-hours with daytime construction work taking place.

Road Markings Work – Full Closure 2th March 2024

Full closure of A55 J18 Llandudno Jct. slip roads, Interchange and Ffordd 6G County Road to complete the road markings work of the active travel project. **The full slip road, interchange and Ffordd 6G county road closures will be implemented between 8pm and 6am on Tuesday 26th March 2024**. Appropriate diversion routes will be in place to accommodate the travelling public during this full closure.

The works are being carried out between January and March, when traffic flows are historically lower to minimise disruption.

*These dates are subject to change and are dependent on the weather. Further programme details will be released 2-3 weeks in advance.
