

May 2024

Project Overview

The St Austell to A30 Link Road comprises works to design and construct a new 6.2k single carriageway with climbing lanes from the old A30 at Victoria / Roche to the roundabout at Stenalees. The works also include three new roundabouts, as well as the improvement, rationalisation or relocation of existing access roads that bisect the new alignment and will also carry out environmental mitigation works and maintain the landscape ecology.

St Austell to A30 Link Road

Hello and welcome to our May newsletter.

Due to our recent pause of work to reset and reprogramme we are now back up and running again across the scheme. Below is a list of the upcoming traffic management in the area.

Stannary Road- Stenalees-7th- 23rd May 2024

Two-way lights at the same location at the top of Stannary Road as we previously had to complete the drainage works in the area.

Stannary Road-Stenalees- 3rd- 14th June 2024

Two way lights to complete south entrance tie in to Roche Road access road.

Singlerose Roundabout- Stenalees- 16th September- 4th October 2024.

Four-way lights on the roundabout to complete remedial work needed on the A391.

New Road-Roche- Road Closure 29th April-3rd June

Construct the tie ins over the existing carriageway for new junction from Trezaise Roundabout.

Trezaise Road, Roche- Road closed 11th June -22nd July.

Complete the tie ins over the existing carriageway for the new junction, change the existing road layout and a new kerb lining being installed.

Public Consultation Drop ins.

We would like to start holding monthly drop-in sessions at our main office . These afternoons would be open for the public to call into the office, get an update of the road and ask any questions about certain areas or the overall progress of the road. Previously we have held these events in Stenaless and Roche throughout the year but would like to now offer these monthly.

Our first open afternoon will be on **Thursday 16th May between 3pm and 6pm.**
