A4119 Coed Ely Dualling Scheme – Changes to Traffic Management

Dear Resident/ Business Owner,

I'm writing to inform you that as work approaches completion on the A4119 scheme, we are preparing to lay the final tarmac surfacing along the new carriageway. This operation will require road closures and a contraflow system during the dates and times shown below.

Contraflow

On the following dates/times, between Fire Station Roundabout and Coed-Ely Roundabout, traffic will be diverted and travel along a Contraflow system: -

From 06:00 on Saturday 23rd November until midnight on Friday 29th November.

Roadside businesses will remain open as usual during this period with escort vehicles in operation to assist with access and egress.

Please be mindful of the traffic signage when entering and leaving the contraflow. 2-way traffic will be maintained.

Full nighttime road closure

On the following dates/times, between Tonyrefail Roundabout and Ynysmaerdy Roundabout, the A4119 will be closed to all road traffic. No access will be permitted along Smaelog Lane nor Ely Valley Road. Diversion routes will be signposted.

From 21:00hrs Tuesday 3rd December until 06:00hrs Wednesday 4th December
From 21:00hrs Wednesday 4th December until 06:00hrs Thursday 5th December
From 21:00hrs Thursday 5th December until 06:00hrs Friday 6th December
From 21:00hrs Friday 6th December until 06:00hrs Saturday 7th December
From 21:00hrs Monday 9th December until 06:00hrs Tuesday 10th December

It is important to note that tarmac surfacing may only take place in favourable weather conditions. The above programme – contraflow and road closures - is therefore subject to change should weather conditions dictate.

Any alteration to the above will be posted on the project's website
