

November 2024

Project Overview

The St Austell to A30 Link Road comprises works to design and construct a new 6.2k single carriageway with climbing lanes from the old A30 at Victoria / Roche to the roundabout at Stenalees. The works also include three new roundabouts, as well as the improvement, rationalisation or relocation of existing access roads that bisect the new alignment and will also carry out environmental mitigation works and maintain the landscape ecology.

Project Update

Visually when driving through you will see we are making great progress, and we are on track for the whole road to open February/March time 2025. Majority of drainage works have now been completed across the whole road and we have managed to start surfacing in areas between Stenaless and Roche. Unfortunately, this time of year weather will impact our works, but we are hopeful we can still stay on programme.

We are working hard to be open sections of the road between Tregoss, Harmony and Trezaise before Christmas and this will help ease traffic throughout the village. Once this is open Roche village should see a significant decrease throughout the village, and it would be great to end the year on this. These dates will be updated regularly via newsletters and public consultation meetings held monthly at our offices.

We have six weekly drone footage taken and these are the uploaded to our community website page under project videos for people to have a look at our progress, particularly in areas that cannot be seen from driving through. Link to the website can be found on the next page.

Traffic Update

Hensbarrow Hill closed 11th November- 27th November to complete the tie in for the new access road for Greensplat.

Your Public Liaison Officer for this project is Becky Edmondson of Griffiths.

Calls are monitored out of normal work hours and a voicemail facility is available.

Current Working Hours

Monday to Friday
8am to 5pm

GRIFFITHS

Litter Picks

Date for our next litter picks will be Tuesday 19th November .We will meet at Roche Victory Hall at 11am. Gloves, bags and litter picks provided. We would like to thank everyone who has come along so far and supported us in keeping the village tidy.

Public Consultation Drop ins.

We would like to start holding monthly drop-in sessions at our main office . These afternoons would be open for the public to call into the office, get an update of the road and ask any questions about certain areas or the overall progress of the road. Previously we have held these events in Stenaless and Roche throughout the year but would like to now offer these monthly.

The next afternoons will be on **Thursday 21st November** between 3pm and 6pm.

Address: Alun Griffiths Site Office
Roche
PL26 8JH

Community Website

Please keep an eye out on our community website for information of upcoming traffic management and works.

This is the quickest and easiest way for us to update everyone of our traffic management in the area.
